Watershed Permit Planning Meeting set for December 18th 2023: Cost Projections Skyrocket

Below is an announcement from the Wellfleet Community Forum about a meeting scheduled for Monday, December 18th, to discuss revised estimates for the cost of the Town's Watershed Plan. Apologies for the late notice, but we only learned of the meeting and thought you should know. From the Wellfleet Community Forum:

On Monday December 18; 7-9 PM at the Wellfleet Adult Community Center, the Wellfleet Community Forum will host a hybrid presentation by the Watershed Permit Planning consultants and Town Staff. The plan has had some significant changes including an expected cost increase from around \$60 million for the hybrid plan to about \$100 million since approved by the Selectboard in June of 2022 and more recently presented to the BOS in November.

- Anastasia Rudenko and Scott Horsley the Town's lead consultants, will provide information and answer questions about the town's proposed Watershed Plan. The plan once approved by the BOS will require approval from Massachusetts Environmental Policy Act review for ultimate approval by DEP as a memorialized watershed

plan.

Guest Speakers

- Scott Horsley – Town Watershed Plan Consultant
- Anastsia Rudenko – GHD Sewershed Engineering Consultant
- Rich Waldo – Town Administrator
